## Consignor Info Sheet

01/01/2015

### WHO WE ARE

a community-minded shop highlighting local artisans & independent creators from every corner of the known galaxy\*

### WHAT WE SELL

At Spacedust, the universe is the limit! We like offering everything under the sun to our customers, as long as it's locally made, handmade, or independently made. From small items like soap & candles, to big items like clothing, home decor, & art, we are the go-to spot in LA for indie items.

We do not sell vintage or commercially-produced items. If your work involves recycling or upcycling materials, we'll want to make sure it's modified enough to be considered a brand new object.

### 50%/50% SALES SPLIT

All designers & artists who consign at Spacedust will receive a 50% split of the retail price of all items sold.

### OTHER OPTIONS: MONTHLY REVOLVING ARTISTS SERIES, COMMUNITY & POP-UP EVENTS

From our monthly rotating art exhibitions to trunk shows, from stand-up comedy to spoken word, acoustic music and healing sessions, let us host your community or pop-up event - or talk with us about ongoing events like classes, seminars, subscription services, etc.

\*We can sell items from artists all over the world! We only ask that Consignors be responsible for delivery of their items to and from our store

All submissions must be approved by Spacedust. Contracts will last 3 months unless otherwise approved, and are renewable if sales were good. \*please note - some small details may change but everything will be spelled out in your contract.

We are committed to providing the utmost transparency & efficiency to our consignors, since they truly form the meat and muscle of the body that is Spacedust. We're the bones and the brains, so we're here to provide structure and intelligence.

### TRANSPARENCY & EFFICIENCY

- On Paper: we sign a contract together, with plainly stated terms that benefit both artist & venue, to maximize mutual business growth and trust
- On Software: all inventory and sales are tracked by our computer system
- On-Line: Consignor Access is an online tool provided by our software that allows consignors to access their account from any Internet browser, with the ability to view their current inventory, sold items, and account balance.
- On Time: Standard Payday: Sales generated in one month, will be paid on the 15th of the next month, no exceptions. Consignors may opt for an automatic check mailed, or to pick up a check which will be ready for them at any time during regular store hours.
- In the Spotlight: All Consignors also receive exposure on our website and social media outlets.
